

Be Ready for the Fall Opening

September 3rd. to 7th.
of the popular

Southern Business College

and Institute of Rapid, Light-Line Shorthand.

I AM DETERMINED

to bring the school up to the highest possible standard, and at the same time give an opportunity to every young man and woman to get a **BUSINESS EDUCATION** at the very low rate of **FORTY DOLLARS**. We will begin selling scholarships Sept. 3, and continue at this price until the 7th. I will be on hand and personally supervise the work. I am bringing new teachers for the different departments, and offer, as never before, a practical, money-making education in the shortest possible time. Our diploma aids you to a position anywhere.

The following courses are complete, but interesting from the day you begin until you graduate:

Commercial Department

Including Stenography by the Universal Light-line Pernin System, Typewriting, Office Practice, Lecture and Court Reporting, Practical English, Spelling, Letter-Writing, Speed Drills, and Diploma Fee. (Use of Typewriter Free.)

For the Complete Course now, only \$40.00

Shorthand Course

Including Bookkeeping by Single and Double Entry, Actual Business Practice and Banking, Commercial Arithmetic, Commercial Law and Spelling, Penmanship, Grammar and Letter-Writing, Reviews, Lecture Course, Final Examination and Diploma.

For the Complete Course now, only \$40.00

That this education pays we will only have to say that we have several calls for every graduate, offering from \$50 to \$75 a month salary.

Remember! That we cannot hold this price open longer than the 7th. Take the scholarship now and enter later if it don't suit you to commence at this time. We are looking to your interests and will give you more than we agree.

Parents having sons and daughters to educate for independence should not fail to see me at once and arrange to place them in the College this Fall. Our offices are open to those interested, and as we want to present you with a copy of our Illustrated Catalogue I shall be pleased to meet you.

L. M. HATTON, PRESIDENT
Southern Business Colleg
LIVE OAK, FLORIDA

Arrangements are being made to organize a Department of Telegraphy and Railroad Operating soon. Further announcement will be made later.
